

THIEVES MAKE SECOND RAID AT COUNTY FARM

CLARENCE CROSBY FIRES FOUR
TIMES AT ROBBERS WITH
SHOTGUN

ESCAPE IN MODEL T FORD

Forty Frying Chickens and Undetermined
Number of Barred Rock
Hens Taken

Poultry thieves staged their second
raid at the county infirmary, four
miles east of Greencastle Monday
night, and escaped with an undetermined
number of chickens amid a
burst of shotgun pellets fired by Clarence
Crosby, county farm superintendent.

Mrs. Crosby stated Tuesday morning
that forty frying chickens had
been taken and an undetermined
number of barred rock hens. A complete
check of the loss could not be
made.

Last Friday night thieves raided
poultry house at the county farm
and escaped with more than 100
hens.

Mrs. Crosby said she believed
the same thieves staged
raids as they were awakened
at night and could tell from the
noise of the Model T Ford truck that
was the same car in both instances.

According to Mrs. Crosby they
were awakened about 2:45 o'clock
Monday morning by a noise in the
poultry house and arose to investigate.
They heard the truck motor
and as they rushed outdoors and
Crosby fired four times with a
shotgun in the direction of the sound,
the truck was parked on the road
of the county farm and went toward
Mt. Meridian.

Deputy sheriffs Edward Eitel and
Walter Bryan were summoned
reached the county farm within
a few minutes but a search of the
surrounding roads failed to reveal
the trace of the truck.

Garden Judges Are Selected

INDIANAPOLIS MEN TO PICK
WINNERS IN EVENT TO
CLOSE IN SHORT TIME

Judges to pick the winners in the
garden contest sponsored by the
Chamber of Commerce, were
announced Tuesday by J. J. Eitel. The
winning will take place within the
next week or ten days.

Those chosen as judges by Mr.
Eitel are Edward Grande, Arthur
Heidenreich and Carl Bradlein, all
of Indianapolis. Mr. Heidenreich acted
as one of the judges in Indianapolis
last year.

In all of the five groups, including
fruit, flower, vegetable, general im-
provement and back yard, there are fifty
gardens. Prizes will be announced
as soon as judging is completed.

Rhode Island Posse Hunts Missing Girl

TWO-YEAR OLD CHILD DISAP-
PEARED WHILE PLAYING IN
WOODS NEAR HOME

RICHMOND, R. I., Sept. 18 (UP)—
A posse searched rain-drenched woods
and underbrush today for a
two-year-old baby girl, missing for
more than 18 hours.

Object of the hunt was two-year-
old Nancy Marshall, a blonde, curly-
headed, blue-eyed tot, one of four
children of Mr. and Mrs. John Marshall,
who live on Carolina road in an
isolated section of Richmond.

Nancy's father left home three
weeks ago and has not returned.

Yesterday at 2 p. m. Nancy, accom-
panied by a young brother and sister,
went out to play in the woods near
the Marshall home. The baby was
last seen and wore only a thin pink
dress.

GRANDMOTHER GIVES BIRTH TO TRIPLETS YESTERDAY

SANTANA, Kan., Sept. 18, (UP)—
Mrs. C. E. Workman, a grandmother,
today nursed triplet girls, born to her
yesterday at her farm home north of
here.

Mrs. Workman, who is 46, is the
mother of 12 other children. Two of
the babies weighed four and a half
pounds and the other three and a
quarter pounds.

EX-POLICEMAN SENTENCED
CRAWFORDSVILLE, Ind., Sept. 18
(UP)—Walter Scott, 50, former
Frankfort police captain, was under
sentence to life imprisonment today
in connection with the slaying of
Mrs. Esther Lockwood, 28, and Rus-
sell Wells, 33, at Lafayette March 31.

Scott pleaded guilty to second-de-
gree murder in Montgomery circuit
court. The case was brought here on
a change of venue.

FAMED GOLD TOWN RAZED BY FLAMES

NOME, ALASKA, WIPED OUT BY
FIRE; 1,500 REPORTED
HOMELESS

NOME, Alaska, Sept. 18.—Nome,
famed Alaskan gold mining city, was
destroyed by fire Monday and today
only two business buildings, includ-
ing a hotel and a few residences in
the northern section of the town
were standing.

The fire department building was
destroyed, handicapping efforts of
firemen and volunteers.

Late in the afternoon, dynamite
was resorted to in an effort to de-
stroy buildings and check the path of
the flames, but the fire raged on-
ward. Several buildings were dynam-
ited. The supply of dynamite began
to run low.

With every available man fighting
unsuccessfully to stop the fire, min-
ing operation in the outskirts were
stopped and men were rushed here, to
help.

Every grocery store was burned
down and very little food was saved
from the shelves of the stores, the
owners reported.

The temperature reached a low of
38 last night, but an east wind of a
20 mile velocity early in the day sent
the fire out of control shortly after
it was discovered.

The federal building, the Miners
and Merchants bank, every grocery
store and mercantile establishment
and the private residence in which
the weather bureau is stationed were
among the buildings lost. The loss
will be \$1,000,000 or more, city officials
said today.

The Crescent hotel and the Loman
Commercial company establishment
were the only buildings left standing.

Today the 1,500 residents were vir-
tually homeless, as the temperature
again neared the freezing point.

The government immediately stepped
in to aid, and from Washington
came orders for coast guard cutters
in the Bering sea and including one
at Dutch harbor, to race to the
stricken city's aid.

Famed through the north for its
gold mining, Nome is a small city
near Cape Nome, on the southern
shore of the Seward peninsula. In
1900, its population was 12,488, but
in recent years it has declined to
about 1,500.

It was the northwestern terminus
of the United States military tele-
graph for many years.

Gold was first found there in June,
1898, and Oct. 1, 1898, the Cape
Nome mining district was organized.
The postoffice was established in
June, 1899, and the town incorporate
on April 9, 1901.

RUSSIA VOTED ADMISSION GENEVA, Sept. 18 (UP)—Admission of Soviet Russia to the League of Nations was formally voted to- night by the assembly.

Assign Pastors Local Churches

CLOVERDALE AND PUTNAM
VILLE M. E. PULPITS FILLED
AT CONFERENCE

At the close of the Indiana confer-
ence of the Methodist Episcopal
church at Columbus Monday appoint-
ments of ministers to various churches
in the conference were read.

In the Bloomington district, E.
Sheldon Pattison was assigned to the
Cloverdale church and Lowell Turner
to the Putnamville church.

Rev. C. Howard Taylor, former
pastor of the Greencastle church, was
reassigned to the First M. E. church
at Bloomington. J. M. Walker, also
well known in Greencastle, is super-
intendent of the Bloomington dis-
trict.

ADJUSTMENT BOARD CUTS COUNTY LEVY

PAIRES TOTAL OF \$6,196.51 FROM
VARIOUS APPROPRIATIONS
AT TUESDAY SESSION

CITY AND LIBRARY LEVIES PASS

County Levy Next Year Will Be 63
Cents As Result Of Action
Of Board

Members of the Putnam county tax
adjustment board pared two cents off
the county general fund levy Tuesday
morning and passed the Greencastle
city and library budgets as approved
by officials of those units.

The two-cent county reduction
makes that rate for 1935 63 cents.
The total city levy is 78 cents and
the library levy 5 cents.

Other budgets scheduled for review
at the Tuesday meeting were those
of the Greencastle schools, Greencas-
tle township, Russell township, Rus-
sellville, Clinton township, Marion
township, and Madison township. The
balance of the budgets are scheduled
for review Wednesday.

In reducing the county revenue
levy two cents the board lopped
\$3,000 from the old age pension and
\$2,271.61 with which it was proposed
to refund to I. L. Wimmer and D. V.
Etcheson money which they advanced
as signers of a depository bond for
county funds lost in failure of the
former Bainbridge bank several years
ago. A recent supreme court decision
is said to have held that depository
bond signers were not liable and
that the local men were entitled to
a refund in the above amount. It
was said there was some question as
yet as to whether the supreme court
decision is final and pending a final
ruling it was decided by the board to
withhold payment of the local refund.

Other reductions in the county bud-
get were \$25 from the salary of the
county assessor's deputy, \$300 from
the annual salary of the court re-
porter, \$100 from the fund for feed-
ing county prisoners, \$300 from the
appropriation for assessing Green-
castle township, \$200 from the fund
provided for children in orphan's
homes.

A total of \$20,000 had been asked
for old age pensions next year and
the reduction will leave \$17,000 for
this purpose.

Reduction of the county revenue
levy two cents by the adjustment
board made a total decrease of five
cents in this levy over that advertis-
ing in the 1935 budget. The county
council last week pared off the other
three cents.

A. A. U. W. Plans Year's Program

FIRST MEETING OF WOMEN'S
ORGANIZATION IS SET FOR
SEPTEMBER 25.

With the opening of the school
year and the simultaneous resump-
tion of various social and club activi-
ties, members of the American Asso-
ciation of University Women are
indicating interest in the proposed
programs which this organization is
preparing for the coming months.

Recently members of the executive
council met to discuss and formulate
plans which will include as usual
regular monthly meetings, and group
gatherings of those interested in
specific topics of study. There will
be one or two out of town gather-
ings with other A. A. U. W. chapters
in the state and a guest night when
Greencastle members will entertain
visiting A. A. U. W. groups. Plans
also include out of town speakers at
various times during the year.

Following the custom of the past
several years the opening meeting
this fall will be a dinner at the
Studio Tea Room, September 25,
with Miss Helen C. Salzer, president
of the Greencastle chapter, presid-
ing. Chairmen of the various study
groups will also talk.

The membership drive, with Miss
Edith Browning as chairman of the
membership committee, is already in
progress. It is hoped that every wom-
an eligible to membership in the
A. A. U. W. will attend the opening
dinner meeting to be held next week.

City firemen made a run to the Phi
Gamma Delta fraternity house, 1002
south College avenue, about 10 o'clock
Tuesday morning when coal
stacked in the basement came in
contact with an electric wire. Fire-
men cleared the coal around the
wire which was repaired.

LOCAL MAN GOING TO SOUTH AMERICAN PLANT

Henry Koessler will sail from New
York, Sept. 29, on the steamer
"Western World" for Rio De Janeiro
Brazil, where he will be employed by
the International Cement Corpora-
tion. Mr. Koessler will have charge
of the quarry at the Brazil plant. He
will leave Greencastle on Sept. 27
but Mrs. Koessler and son will not go
to South America until later in the
year.

Mr. Koessler has been connected
with the Lone Star plant at Lime-
dale since October 1919. R. J. Elledge,
formerly superintendent at Lime-
dale is in charge of the Rio De Janeiro
plant.

DOUBLE TEST FOR NEW DEAL IN TWO STATES

VOTERS IN WISCONSIN AND
MISSISSIPPI GO TO POLLS
TODAY

(By United Press)

Wisconsin and Mississippi today
provided a double test of new deal
sentiment with new primary voting
to add to the widespread polls of last
week.

For the first time voters will re-
cord their opinion of the experimen-
tal third party launched by the LaFol-
lette forces of Wisconsin. Sen. Rob-
ert M. LaFollette is the progressive
candidate for senator and his brother
Philip will try again for the govern-
orship.

There is no contest facing either
LaFollette but adherents hope to roll
up as high a total as possible in or-
der to make a favorable comparison
with the Republican and Democratic
primaries.

Five candidates are fighting for
Democratic senatorial endorsement.
They include former Republican Gov-
ernor F. E. McGovern, Milwaukee,
State Senator W. D. Carroll, Mrs.
Gertrude Bowler, national commit-
teewoman, John M. Callahan and
Charles E. Hommerdale.

Gov. A. G. Schmiedeman is opposed
by William B. Rubin, Milwaukee at-
torney in what is expected to be a
close contest.

John B. Chapple, young Ashland
editor, is unopposed for the Republi-
can senatorial berth. The three Re-
publican candidates for governor are
Howard T. Greene, farmer, former
Gov. Fred Zimmerman, and James
N. Tittermore.

The Socialist party presents a full
ticket but has no contests.

In Mississippi Sen. Hubert D. Ste-
phens and former Gov. Theodore G.
Bilbo meet in a runoff primary for
senator which is equivalent to elec-
tion. The campaign has been marked
by bitter attacks.

Stephens is running as a full-
fledged supporter of President Roose-
velt. Bilbo promises to "out-Huey"
Huey P. Long. Stephens has the sup-
port of Rep. Ross Collins, congress-
ional veteran, who was eliminated
in the first contest.

CORN-HOG CHECKS PAID FARMERS IN CLINTON TWP.

Farmers in Clinton township re-
ceived their corn-hog checks through
the local corn-hog committee Tues-
day. This makes a total of seven
townships in which farmers have
been paid for curtailment of corn and
hog production.

MASONIC NOTICE

Stated meeting Temple Lodge No.
47 F. & A. M. Wednesday at 7:30
p. m.
C. F. Mathes, W. M.
E. E. Caldwell, Secy.

20 Years Ago IN GREENCASTLE

Local girls pledged by DePauw sororities
are as follows:
Kappa Alpha Theta—Jessie Gobin,
Mary Weik, Helen Kelly.

Kappa Kappa Gamma—Marjorie
Campbell, Janette Holloway, Hazel
Vermillion.

Delta Zeta—Bonnie Miller, Mary
Small.

Delta Delta Delta, Irma Grubb.

Alpha Chi Omega, Beatrice Her-
ron, Josephine Wade.

Alpha Phi, Deveda Derrhake.

Alpha Omicron Pi—Jesse Jones.

Among the Greencastle young men
pledged by DePauw fraternities are:
Glen Lyon, Phi Gamma Delta, and
Gilbert Cole, Sigma Chi.

Oscar Blue was here from Mt.
Meridian on business.

Dan Phillips and Charles Hutch-
eson have purchased three new 1915
model Overland automobiles.

Questioned In Slaying of Sweetheart

Agatha Arnold of Fond Du Lac, Wis., and her sweetheart, Lawrence Kilmer, Kilmer is being held by police on charges of murder after the body of Agatha Arnold was found in a ditch a short while after they both had left a roadhouse where it is said that they quarreled.

Fast Train Wrecked When It Hits Truck

ONE KILLED; THREE INJURED
IN CROSSING CRASH AT
LAWRENCEVILLE, ILL.

LAWRENCEVILLE, Ill., Sept. 18.
(UP)—The Big Four's crack pas-
senger train, the Egyptian Flyer,
was wrecked when it demolished a
freight truck at the State street
crossing here today. George Mobley,
55, the fireman, was killed and two
men in the truck were seriously in-
jured.

The locomotive, tender, baggage
and mail cars left the track and tore
up about 300 feet of railroad bed. The
truck, belonging to the Ray Miller
company of Terre Haute, Ind.,
caught on fire.

Everett Kiser of Brazil, Ind., the
driver, was severely burned about
the face and arms. His relief driver,
Richard Jacobs of Terre Haute, was
reported in a critical condition in a
Vincennes hospital.

The engineer miraculously escaped
injury. A steam pipe in the cab of
the locomotive broke and filled the
cab with steam that scalded Mobley.

Ivan Green, Greenwood, Ind., was
the only passenger reported injured.
He suffered a sprained neck when
his head struck the end of his berth
and he raised on one elbow to look
at his watch.

The crash severed the truck and
set it afire. Clothes of both Kiser
and Jacobs were burning when they
were pulled from the wreckage.

The train was enroute from Chi-
cago to Cairo, Ill.

North Putnam Man Is Called By Death

FUNERAL OF GEORGE LINCOLN
WILLIAMS TO BE HELD
WEDNESDAY

George Lincoln Williams, 81 years
old, prominent north Putnam county
farmer, died at the home of his
daughter, Mrs. Thomas Harvey,
three miles southeast of Greencastle,
Monday morning at 11:45 o'clock,
following an illness of two years of
heart disease.

Funeral services will be held from
the home of the daughter Wednes-
day afternoon at 1:30 o'clock with
burial in Brick Chapel cemetery. The
services will be in charge of the Rev.
C. L. Airhart of New Market.

The deceased was born in Putnam
county May 28, 1853, the son of
Hamilton and Emily Williams and
was married to Mary Alice Stultz
Nov. 16, 1875.

Most of his life was spent on a
farm in the Fincastle neighborhood.
Since the death of his wife about
eight years ago he has made his
home with his only surviving daugh-
ter, five grandchildren and four
great-grandchildren as well as four
half-brothers and two half-sisters,
also survive.

PRESIDENT'S INTERVENTION SEEN IN STRIKE

MAY BE NECESSARY TO SETTLE
DEADLOCK IN TEXTILE
WALKOUT

REPORT REQUESTED OCTOBER 1

Findings Of Mediation Board As To
Situation May Determine
President's Action

(Copyright, 1934, United Press)

WASHINGTON, Sept. 18.—Tight-
ening textile strike lines suggested
today that personal intervention by
President Roosevelt ultimately may
be required to settle the deadlock.

A report on the situation, request-
ed before Oct. 1 but possibly to be
submitted earlier, will be made by
the special mediation board which
the president named. These findings
probably will determine Mr. Roose-
velt's action.

The president is known to have
been hopeful that he would not be
required to undertake the type of
personal arbitration which was re-
quired to settle several previous ma-
jor strike threats.

However, with the conflict exhib-
ing all signs of a stubborn, long
drawn out battle, it was felt that
rather than allow the strike to react
disastrously on recovery efforts, the
president would intervene if all other
avenues appeared closed.

The alternative would be to allow
the workers and mill owners engage
in a bitter test of strength which
many believe would leave deep and
lingering wounds.

Despite militant action by authori-
ties in Georgia and other textile cen-
ters there was little indication of a
break in the strike ranks today and
only isolated outbreaks of violence.

Strike leaders here, headed by
Francis G. Gorman, United Textile
Workers vice president, protested
bitterly when advised of action being
taken by military forces in Georgia
where the entire national guard has
been called to duty.

Guardsmen have set up a barbwire
concentration camp at Fort McPherson
on the site of a similar barricade
where German spy suspects were
held during the world war. Members
of the "flying squadrons" or union
pickets are being arrested. Guard
commanders said they would be held
there for the duration of the strike.

About 150 pickets including 13 wo-
men were imprisoned in the stock-
ade.

Gorman condemned Gov. Eugene
Talmadge of Georgia for his action
which included use of martial law.

"They can't shoot our men back to
work," he said. "The strike goes
on."

Gorman said he expected few
workers to go back to the mills
which hope to resume operations un-
der protection of squads of militiamen. Several thousand were esti-
mated to have returned yesterday.

Gorman was immersed in plans
which may swell strike totals by
100,000 carpet and synthetic rayon
workers. The executive council of
the union met today to determine
whether the strike call would go out
to these operatives. The total idle
already is placed at between 400,000
and 500,000.

The prospect also was growing
stronger that 175,000 cotton garment
workers would join their idle friends
in the closely associated textile mills.
Strike of these workers has been
threatened if the industry does not
accept an NRA order reducing work-
ing hours from 40 to 35. Thus far
the industry has stood fast in its re-
fusal to agree to the reduction.

The union continued its fight
against Gen. Hugh S. Johnson who
Friday charged the strike was called
in breach of an agreement made with

Farmer Slays Wife, Children

BLAME FINANCIAL WORRIES
FOR TRIPLE KILLING—TELLS
NEIGHBOR TO CALL SHERIFF

FORT MORGAN, Colo., Sept. 18, (UP)—Roy Reigle, 45 years old, last night killed his wife, a 3 year old daughter, Irene, and a stepson, Nelson Smith, at his farm home south-east of Brush, Colo.

Reigle beat his wife and daughter with a blunt pole and then choked his stepson to death.

Two neighbor women had gone to the town of Brush to purchase supplies and had been asked to buy some merchandise for Mrs. Reigle. When they returned to the farm house with the merchandise they had purchased for Mrs. Reigle, her husband stepped from the back door and said, "Call the sheriff, I've killed my family!"

Mrs. Kirkman, a neighbor, telephoned Sheriff Rufus A. Johnston at Fort Morgan. The other woman entered the home and found the family lying about the front room of the farm home. Sheriff Johnston and his deputy, Howard Anderson, hurried to the farm home. When they

arrived they found Reigle hanging from the windmill tower.

Sheriff Johnston immediately notified Washington county officials when he visited the scene and found it was out of his jurisdiction.

Nearby neighbors attributed financial difficulties responsible for Reigle's action.

PRESIDENT MAY INTERVENE

(Continued From Page One)
him. Gorman predicted that the American Federation of Labor convention at San Francisco next month would approve a resolution which textile workers will introduce asking resignation or discharge of Johnson.

"There is scarcely an international union that has not been damaged by Johnson's unjust rulings and actions," he said.

MUNITIONS CO. CHARGED

SOLICITING GERMAN TRADE
WASHINGTON, Sept. 18, (UP)—Sen. Gerald P. Nye, R., N. D., said today that the senate munitions committee had obtained evidence that the United Aircraft Company and affiliates had six agents soliciting business in Germany in April, this year.

The company's German business, Nye, committee chairman, said, grew from \$6,000 in 1932 to \$1,445,000 in the first eight months of this year.

While gone they visited in Joplin, Mo., Pittsburg and Ft. Scott, Kas., and Kansas City. They were accompanied home by Mrs. Tom Young of Carpentersville who has been visiting in Kansas City.

RUSSIA TO BE ADMITTED TO LEAGUE OF NATIONS

GENEVA, Sept. 18 (UP)—A meeting of the League of Nations assembly was called today for 6 p. m. (1 p. m. EDT) to admit Soviet Russia to the league.

Seventeen years after the Bolshevik revolution, the Union of Socialist Soviet Republics had been invited to join the league, and was assured the necessary two-thirds majority.

The steering committee, which called the assembly session, decided that Salvador de Madariaga, Spanish delegate, should submit the political commission's resolution recommending Russia's admittance, and then the assembly should vote the communist republic into the league and a permanent seat on its council.

After that, it was planned that the Russia delegation, headed by Maxim Litvinov, brilliant foreign minister, should enter and take seats.

Litvinov was not expected to make his maiden speech at once. He had not intended to appear until tomorrow.

TIGER CUBS WIN THIRD GAME

By defeating the Roachdale high school nine 6 to 0 on the Morton diamond Monday afternoon the Tiger Cubs held their perfect record in the northern division of the Putnam

county high school baseball league. Cox, winning pitcher was credited with 12 strikeouts while Isbell, Roachdale hurler, fanned 10 local boys. Clendenen and Cox formed the battery for Greencastle and Is-

bell and Meyers for Roachdale. The Cubs will play Russellville on the Morton diamond Wednesday afternoon.

Postoffice Defeats Krogers Monday

ZINC MILL HOLDS LEAGUE LEADERSHIP BY WINNING SECOND GAME, 15-10

Due to the church supper planned for Wednesday evening in connection with the Church-Forward Movement in this city, games scheduled for tomorrow night will be played tonight and Thursday. In case of rain, tonight's tilt will be postponed until Thursday night. This evening at 7 o'clock, the Rotary-Kiwanis aggregation will clash with the Ellis Store. At 7 p. m. Thursday the Business Men are carded to meet the Northern Indiana Power sluggers. Players on all teams are requested to take notice of this change in the schedule.

(By I. L. S.)

The first upset of the city softball league occurred Monday night when the Postoffice won their first game, 15 to 5, with Krogers Store on the short end. The result dropped Krogers from third to fourth place and the mail carriers climbed from the cellar position to seventh. In the meantime the Zinc Mill defeated the Gardner Bros. team by the score to 15 to 10, holding top place in the league with a record of four games won and none lost.

The Postoffice got off to a good start in the opening frame when Allen and McGill both were credited with home runs. Tuttle brought in a third run. Don Grimes, hurler for the mailmen, struck out the first three men to face him in the last half of the inning. In their next time at bat the postal men went on a hitting spree and secured 5 more runs to take a lead which was never threatened. Don Grimes and Tuttle made home runs in this frame. Livingston made the only home run for Krogers. D. Grimes and Tuttle composed the battery for the winners and Vermillion and Williams for Krogers.

In the second game of the evening between the Zinc Mill and Gardner Bros., Carpenter, hard-hitting shortstop for the Zinc Mill, started the scoring with a home run. This was followed by runs by Crawley, Ruark and Bryan. The Cocoa Cola men evened the score when they came to bat with runs credited to Scott, Bee, McCullough and Sutherland. The inning ended 4-4. In the first half of the second frame with two men fanned Carpenter got his second home run and brought Haskett and Gorham in with him. The final score was Zinc Mill 15, Gardner Bros., 10. Messersmith and Gorham formed the battery for the winners and Davis and Dean for Gardner's.

Both contests Monday night were featured by a lack of arguments and "conferences" due to close decisions. Officials were Splinter Myers and Goldberg. This was the first game for some time that one field umpire lasted throughout an entire evening. Myers has officiated at the home plate since the league started on the high school playground last month and deserves much credit for his faithful and valuable services. He is well known to local baseball fans as he has been manager of several Greencastle teams.

The score of last night's games:

	R	H	E
Postoffice	3	5	3
Krogers	1	0	2
Zinc Mill	4	3	1
Gardner's	4	0	2

Get It At R. P. Mullins'

RUSSELLVILLE LOSES

Waveland defeated the Russellville K. of P. baseball team, 8 to 7 in a 12-inning game Sunday. Russellville outthrew the winners 16 to 14 but made 6 bobbles in the field to 4 errors by Waveland.

Next Sunday, New Ross will furnish the opposition for the K. of P. aggregation. On Sept. 30th, Carbon will go to Russellville to play off a 3 to 3 tie which went 13 innings recently. The last game of the season at Russellville on Oct. 7 will find Waveland again facing the K. of P. outfit.

CITY MAY BE FORCED TO DROP PWA PROJECT

RICHMOND, Ind., Sept. 18, (UP)—City officials feared today that a \$140,000 PWA grant for construction of a city sewage disposal plant would be forfeited because they were unable to dispose of a \$360,000 bond issue, necessary to guarantee the federal loan.

Officials said the \$150 tax law limitations would make interest charges too high. They said the entire project, costing approximately \$500,000 may "be dropped until the legislature repeals or amends the \$150 law."

BANK ROBBERS GET \$35,000

SCRANTON, Pa., Sept. 18, (UP)—Five badits held up and robbed a bank at Hawley, 35 miles north of here, of \$35,000 today, police were advised.

Mr. and Mrs. L. M. Wright, Miss

Amelia Elling and Mrs. Fannie Sims called on Scott Irwin Sunday afternoon.

PAT PAGE LOSES HIS SUIT AGAINST I. U.

INDIANAPOLIS, Sept. 18—Harlan O. "Pat" Page today lost his suit in federal court for \$19,000 damages against Indiana university, Judge Robert C. Baltzell holding he did not have a contract when he was dismissed as football coach in 1930.

Page alleged he was dismissed by the university's athletic board of control in 1930 before the expiration of his contract.

It was brought out at the trial that Page signed a three-year contract with Indiana university beginning April 1, 1926, and that it was renewed for the year beginning April 1, 1929, at an annual salary \$12,500. Page asserted he was assured the contract would be renewed for the two years following 1930 at salaries of \$13,000 and \$13,500 respectively.

It was his contention in the suit that the contract, whether verbal or written, was valid.

RUTH CHATTERTON SEEKS DIVORCE FROM GEORGE BRENT

LOS ANGELES, Sept. 18—A suit for divorce was filed here Monday in behalf of Ruth Chatterton, stage and screen star, against George Brent, actor.

Miss Chatterton's attorneys filed the suit while she was away in the Coachella valley desert of southern California. The legal step had been preceded by Hollywood rumors Miss Chatterton had signed the complaint before leaving the film capital. They had been estranged several months.

The rift in this, her second romance, was made known last March when the blue-eyed actress announced their separation.

The complaint described Brent as "silly, moody, unreasonable and disagreeable." It said he objected to Miss Chatterton's friends and has been sulky and unsocial in their presence, causing her mental suffering and embarrassment.

For a week or more at a time he would refuse to speak to her, would criticize her and be harsh and domineering, the complaint said.

Two years and a month ago she married Brent, 10 years her junior, before a justice of the peace in Harrison, N. Y., the day after Ralph Forbes received a decree of divorce at Minden, Nev. She had married Forbes in December, 1924.

Forbes was granted a divorce on grounds conflicting interests had led to their separation.

Brent was her leading man at the time and had been divorced from Helen L. Campbell here in 1929.

PURDUE SWINE DAY TO BE HELD SEPTEMBER 28

The Fourteenth Annual Purdue Swine Day will be held at the University September 28. Starting at 10:00 o'clock in the morning, 290 experimental hogs will be inspected in the feed lots and pastures at the Experimental Swine Farm three miles north of West Lafayette on the County Farm Road.

The afternoon's program which will include a discussion of the experimental feeding results and talks on hog production problems will be held in the Livestock Pavilion at the University. All farmers and hog feeders are especially invited to attend this meeting.

A lunch stand will be available at the Swine Farm.

As Senator Long Smiled After Vote Triumph

Senator Huey Long, center, posed long enough to register jubilation when the cameraman encountered him in his New Orleans hotel, where the Kingfish and his followers had been celebrating the decisive defeat of the New Orleans city machine led by Mayor T. Semmes Walmesley, at the primary polls. Encircled by Senator Long's right arm is James

O'Connor, one of his victorious candidates, while supporting the other arm of the Kingfish, is Governor O. K. Allen, right, who also seems quite pleased. The latter had ordered 2,500 Louisiana national guardsmen into New Orleans to supervise elections, assertedly given under Huey's orders.

As Fierce Battle Raged on Rhode Island Textile Strike Front

This graphic photo depicts the fierceness of the battle which raged between striking textile workers and state militia at Saylesville, R. I., during which five persons were shot and more than 120 others injured.

Strikers are shown hurling stones, clubs and pieces of tombstones obtained from the cemetery in the foreground, as they endured the burning fumes of tear gas bombs.

Exposition Set For June, 1935

SAN DIEGO TO BE HOSTESS TO NATION WITH BIG \$5,000,000 SHOW

SAN DIEGO (UP)—The California-Pacific International Exposition, centered in a 1,400-acre park, with exhibits from all over the world, will open here June 1, 1935, to run until March 1, 1936, a citizens' committee has announced.

Zack J. Farmer, manager of the 1932 Olympic Games in Los Angeles, is advisor and general director of the project, which will be the first great exposition on the Pacific Coast in 20 years.

After \$5,000,000 will be represented in the exposition. In addition to scientific and artistic exhibitions visitors will see gigantic displays by the United States Navy. One contemplated Navy exhibition will be the flight in formation of more than 1,000 airplanes.

Cultural and artistic beauties of

the Southwest, including the San Diego Mission, first of those built by Spanish Friars on the Pacific Coast will be among tourist attractions. The Scripps Institute of Oceanography, where studies of vast ocean phenomena are made, only institution of its kind in the world, will be open to visitors.

San Diego business men have been quietly working on the exposition plans for more than a year. Finishing touches are being put on the \$5,000,000 exposition grounds and buildings, and negotiations for exhibits are under way on a large scale.

The local exposition will probably be the first of a series in California, lasting for several years and intended to stimulate recovery on the coast. San Francisco, in 1937 or 1938, will follow with celebration of the opening of the world's largest bridge, across San Francisco Bay, and about the same time Los Angeles will celebrate completion of the world famous Boulder Dam and the Los Angeles aqueduct.

J. David Larson, for several years trade commissioner from the Southwest to the Orient, Australia and South America, has been named man-

aging director of the California-Pacific International Exposition. A survey indicates, Larson says, an attendance exceeding 4,000,000. A previous exposition 20 years ago drew 2,060,000; but the southwestern coastal plain's population, with more than 40 cities, has more than tripled since then.

In connection with the exposition the priceless exhibits of the Natural History Museum, San Diego Museum, Fine Arts Gallery of San Diego Zoological Gardens (third largest in the world), and other exhibits of scientific and cultural interest will be open to the public.

Although cost of the local exposition is being borne by San Diego's 165,000 citizens and business interests, the project has statewide support and is recognized as a California enterprise. On the board of directors, soon to be announced, are many prominent Californians from every section of the state.

CABLE REPLACEMENT REAL ENGINEERING FEAT

BOULDER CITY, Nev., (UP)—One of the unending exploits in the

construction of the gigantic Boulder Dam is the replacement of the huge cables stretching across the dam site. The cables are used to convey men, concrete and other materials in building Uncle Sam's most ambitious water and power project.

It is necessary to stop all operations for 48 hours to replace the cables.

Wound on huge spools, the cables, each weighing 55,000 pounds, are placed near the head tower of the cableway and one end is strung to and through the top of the tower.

The new cable is dragged across the canyon and fastened to the old steel rope. After the new cable is secured by supports which also hold the cable, the used steel rope is hauled away.

Each cable is 2,500 feet in length and costs approximately \$10,000.

Spain Agrees To Trade Swapping

SECRETARY OF STATE HULL SETS DATE FOR HEARING ON TARIFF CHANGES

WASHINGTON, Sept. 18. (UP)—Spain was added today to the list of foreign countries with which the United States has agreed to negotiate reciprocal trade treaties.

Notice was issued by Secretary of State Cordell Hull that public hearings will be held on Nov. 12 in connection with the proposed negotiations with Spain. Individuals or industries interested in Spanish-American trade may file written briefs up until noon of Nov. 5. Spain is the third European country and the twelfth foreign country with which Hull has announced intention to negotiate trade agreements in the hope of increasing American foreign trade to 1929 levels.

Under the trade agreement with Spain, Spanish exporters are hoping that a preferential treatment will be given to Spanish cork, olives, olive oil, almonds, hides and skins and pepper, which comprise the most of Spanish exports to the United States.

In return the United States will seek tariff concessions and protection for raw cotton, automobiles and motor trucks, petroleum products, tires and other rubber manufactures, wheat, machinery, lumber, leaf tobacco and chemicals.

Matthew Woll, vice president of the American Federation of Labor, sharply attacked reciprocal tariff agreements contending the trade treaty recently negotiated with Cuba was working almost entirely to the advantage of international bankers and those who control sugar and tobacco plantations on the island.

Declaring the Roosevelt administration was inconsistent in its policies, Woll pointed out that under the tariff agreement products produced with "sweated and child labor" could enter this country, while under the NRA such products made in this country were banned from trade.

THREE UNDER ARREST

INDIANAPOLIS, Sept. 18. (UP)—Two national guard officers and a former president of a bank were under arrest today as the result of indictments returned by the federal grand jury here last Saturday.

The jury returned 100 indictments against 125 persons. The majority of the true bills were against liquor offenders and counterfeiters. Arraignments will be held before Judge Robert C. Baltzell Friday morning.

Claude S. Kitterman, former president of the First National bank of Cambridge City, was arrested by U. S. Marshal Frank Holmes at Cambridge City yesterday and was brought here to arrange bond.

Kitterman is alleged to have signed three notes, totalling approximately \$5,000 with the name of "Shroyer Farms, by C. S. Kitterman, Agent." The money, the indictment charges,

was not received by the farm.

Two regular army sergeants, C. Lee and Bernard Rome, both Indianapolis, attached to the national guard here, were arrested yesterday.

GIRL IN SLAYING CASE

AT PERU TAKES POISON

PERU, Ind., Sept. 18. (UP)—L. Townsend, 16, was in Memorial hospital here today being treated for poison taken shortly after she was questioned in connection with slaying of Lyman Earhart, alleged shot by her stepfather, Claude Hicks.

Prosecutor L. W. Alspach questioned the girl about letters purportedly written by her to Earhart and was to have appeared before a grand jury investigating the slaying.

Police said Hicks claimed he slayed Earhart when the latter attempted to signal the girl by turning a light into her bedroom late at night.
